INNOVE /Liquid Gloss Toner

Demi-permanent liquid hair color.

Perfect for color correction. Ian Zachary Liquid gloss toners offer multiple advantages that, added to those already known from the Ian Zachary color range, can elevate the user experience thanks to their liquid texture and ease of use, without losing color saturation.

Being liquid makes sure to mix and spread the product evenly on hair. The application is quick and easy, while saving preparation time. To be applied in the wash unit

2 Tones:

10.1 – Ash Corrector

10.2 – Violet Corrector

ml

60ml x3

key ingredients

Argan oil, Maleic acid, Emollient and softening agents

INNOVE /hair colour cream

Permanent hair color **Ammonia free and lightening power.**

Lightens hair up to 3 tones!

Its formula includes corn oil to protect the scalp without diminishing colour coverage, oleic acid (moisturising and emollient agent), bisabolol, derived from jojoba oil, moringa oil, hyaluronic acid, fruit perfume

23 colours delicately formulated to achieve the same grey coverage as ammonia dyes but with a natural shine. 1 + 1 application.

Plus 3 Toner (T10.1, T10.2, T10.21) that mixing them with 5 volume developer cream, act to tone white hair and highlights.

ml
100ml

key ingredients

Bisabolol, derived from jojoba oil, moringa oil, hyaluronic acid

INNOVE /developing cream

Stabilised oxidising emulsion. Mixing it with the IAN ZACHARY INNOVE colour, the best emulsion is obtained for a correct and effective application, allowing to obtain intense and long-lasting results.

ml

1000ml

CLASSIC /hair colour cream

IAN ZACHARY CLASSIC colouring is a cream based on oxidative pigments that provides hair with excellent grey coverage when applied 1 + 1, for intense and long-lasting results.

Its formula includes corn oil to protect the scalp without diminishing colour coverage. It also contains moisturising and emollient agents, such as oleic acid, an oil with vitamin E.

The colour book has 98 colours, offering a wide variety in the chromatic scale, while stimulating the professional's creativity to develop their own formulas and thus customise the colours to each client's wishes.

ml

60ml, 100ml

key ingredients

Corn oil, Vitamin E, argan oil, silk protein

OXI CLASSIC /cream developer

Stabilized oxidizing emulsion. Mixing it with IAN ZACHARY CLASSIC colouring cream or with IAN ZACHARY bleaching, the best emulsion is obtained for a correct and effective application, to obtain intense and long-lasting results.

Vol

10vol (3%), 20vol (6%), 30vol (9%), 40vol (12%)

ml

60ml, 100ml, 1000ml

BLEACHING POWDER

Lightens the hair up to 8 levels, preserving the hair structure and avoiding the appearance of yellowish tones. It is used for highlights, such as for a complete change from brown to blonde or to change the look of already dyed hair.

g

500g, 24 sachets of 25g

PROTECTIVE OIL

Applied before the coloration, it prevents staining without reducing the coverage. In addition, by using a few drops in the color/bleach + oxidant mixture, it protects the scalp of sensitive people.

ml
200ml

STAIN REMOVER

Fresh and pleasant light lotion with castor oil to remove hair dye stains.

ml
200ml

IAN ZACHARY

TOUCH EXTREME

PEARL SHAMPOO

A magnificent purple shampoo, free of sulphates and parabens, especially suitable for blonde and grey hair, where it transforms unwanted yellowish highlights into a pearly colour. The combined action of conditioners, vitamins, panthenol and chamomile in a mild cleansing base gives hair all the care it needs in every wash, restoring softness and shine to the hair.

ml

250ml, 1000ml

key ingredients

PROVitamin B5, Panthenol, Chamomile

CAREPLEX SHAMPOO

A sulphate and paraben free shampoo, specially formulated to repair hair. It is applied on dyed hair or any type of hair to protect and give durability to the colour and, at the same time, repair the hair structure, providing hydration and health. Thanks to its active ingredient that works at the molecular level, it repairs the broken disulphide bonds in the hair caused by chemical, thermal or mechanical damage, putting these bonds back together again.

ml

250ml, 1000ml

key ingredients

PROVitamin B5, Argan Oil, Hyaluronate, Oat extracts, Propolys

ENERGY SHAMPOO

A sulphate and paraben free shampoo that stops excessive hair loss thanks to its special formula containing soy, ginseng and capsicum extracts. Dilates the blood vessels of the scalp, increasing the supply of oxygen and nutrients to the cells. Normalizes excessive oil secretion, the main cause of hair loss.

ml

250ml, 1000ml

key ingredients

Ginseng, Capsicum

ANTI-LOSS ENERGY TREATMENT

Stimulates blood circulation in the scalp, increasing cell oxygenation and the supply of nutrients. The continuous action of its ingredients strengthens the hair, simulates its growth and reinforces the resistance of the hair structure, providing vigour and volume.

ml

12 vials of 10ml

key ingredients

Ginseng, Capsicum

CONTROL SHAMPOO

A sulphate- and paraben-free shampoo which combats the appearance of dandruff. An active ingredient called piroctone olamine, with antibacterial and fungicidal properties, combined with plant extracts of pine, eucalyptus and thyme, containing terpenic acids, flavonoids and essential oils, preserves the hair's natural balance.

ml

250ml, 1000ml

key ingredients

Pinus, Eucalyptus, Thyme extracts

SOFT CONDITIONER

Formulated to conditioning hair, giving it a healthy, natural look. Smoothes out knots, giving hair superb combability. The product has a creamy texture and maintains the natural moisture balance for silky, shiny hair.

ml
250ml, 1000ml

PEARL MASK

IAN ZAHCARY Pearl Mask is an intensive treatment containing purple pigments to remove yellowish colour from blonde and overstressed hair. It can be applied after the colouring or bleaching process, or can also be used as a colour maintenance product. It has a low pH formula. This makes it the ideal product to close cuticles after a colour treatment. The low pH also helps to protect the integrity of the hair when used daily. Sulphate and gluten free.

ml
500ml

free
Sulfates, Gluten

CAREPLEX MASK

IAN ZACHARY Careplex Mask is an intensive treatment that provides smoothness and shine to the hair. Thanks to its active ingredient which works at the molecular level, it acts on the broken disulphide bonds in the hair, caused by chemical, thermal or mechanical damage, reconnecting these bonds. It regenerates the structure, strength and integrity of the hair, providing a "reset" effect for damaged hair. Sulphate and gluten free.

ml
500ml

IAN ZACHARY

HIGH THERAPY

NutriPLEX is a formula developed to prevent frizz and increase softness and shine by nourishing the hair.

This formula uses a blend of proteins, amino acids, and vitamins that restore elasticity, shine, and a healthy balance to hair, while reducing frizz and dryness. Visible results from the first use.

key ingredients

Glyoxylic Acid, Keratin hydrolyzate, Maleic acid
Bioassimilable vitamin E, Serine, Cysteine,
Conditioners

SHAMPOO NUTRIPLEX

This shampoo is the first step of the NutriPLEX treatment: it prepares the PH of the hair to apply afterwards the NutriPLEX cream for natural hair and NutriPLEX Blue for bleached and colored hair. Immediate results.

ml
500ml

NUTRIPLEX CREAM

NutriPLEX CREAM formula employs a blend of proteins, amino acids, and vitamins that restore elasticity, shine, and a healthy balance to hair, while reducing frizz and dryness. Immediate results.

NutriPLEX CREAM Blue is suitable for colored and bleached hair, without damaging or modifying hair color.

ml

500ml

WAVING LOTION

Formulated for cold curling and styling hair. Contains conditioning agents to help protect the hair and make the process less aggressive. There are 3 different strengths, depending on the type of hair on which it is to be applied.

ml
100ml

NEUTRALISING

Acts by neutralizing the effect produced by the perm on the hair. Its oxidizing nature causes the recovery of the sulphur bridges in the hair structure and the hair regains its natural strength and shine.

ml
1000ml

STRAIGHTENING CREAM

Professional product for long-lasting straightening or permanent removal. Its thioglycolic acid-based formula provides great straightening power while preserving and protecting the hair.

ml
120ml

IAN ZACHARY

FINAL CARE

LEAVE-IN CONDITIONER

Leave-in conditioner that helps detangle hair while moisturizing. Restores damaged hair and split ends. Provides shine, volume and colour protection. Easy to apply and quickly works for incredible results. Just apply and go!

ml
200ml

key ingredients

Sweet Almond Oil, Hyaluronic Acid, Glycerin, Provitamin B5, Hydrolyzed Silk Protein, Multivitamin Complex (Vitamins A, E, B), Biotin, Omega 3, Omega 6, Rosehip.

SERUM

Creates a layer that protects the hair cuticle and helps to seal the ends, so that the hair looks healthy, soft and shiny again, preventing frizz.

ml
100ml

free
Paraben

HAIR SPRAY

Styling lacquer for the most creative hairstyles. The spraying of micronised particles allows you to continue working once applied. Provides long-lasting hold for hair with shine and volume.

ml
500ml

strength
Flexible, Strong

STYLING MOUSSE

The curl enhancing mousse adds volume and shine while preventing frizz. The results are spectacular as hair is nourished, densified and adds movement.

ABOUT

We are specialists in cosmetics.

1) **Research & development**

We have our own laboratory, which allows us to research, formulate and create hair coloring and facial, body and hair care products.

2) **From Basque Country to the world**

Australia, USA, Morocco, Saudi Arabia... so up to 30 countries. We work for people with very different needs.

3) **4 generations of love + passion**

Emiliano Carasa, thanks! He left to Paris and in 1930 he returned to Spain to found what we continue to be today, a multidisciplinary family with a passion for what we do.

Enjoy Ian Zachary!
